Julie,  
The engineer from R.D. Kimble who is working on the HVAC upgrade is surveying all the supply and return air grilles in the building. He has completed all but the 3rd floor Drug Lab. Can I take him in tomorrow after the DCAM HVAC meeting to complete his work. I estimate it will take less than 10 minutes. I will be with him the whole time. It would be sometime around 11:30 AM. Thanks

Jim
